## *our Mission*

For 60 years Tall Timbers' mission has been to foster exemplary land stewardship through research, conservation and education.

## *the Cause*

Named in honor of one of Tall Timbers' most treasured supporters, the Kate Ireland Memorial Dinner & Auction is a fundraising event held annually benefiting Tall Timbers Foundation, Inc. for Tall Timbers research and conservation programs. Tall Timbers' research focus is the ecology and management of fire-dependent ecosystems, and wildlife, including bobwhite quail, in the Southeastern Coastal Plain. Our conservation efforts are dedicated to helping protect the distinctive, rural landscape of the Red Hills Region of South Georgia and North Florida and its traditional land uses. Our education program transfers research and conservation information for resource management.

# *the Event*

The 21<sup>st</sup> Annual Kate Ireland Memorial Dinner & Auction will be held Sunday evening, September 16, 2018 at Glen Arven Country Club, Thomasville, Georgia. The festivities include a cocktail reception, a silent and live auction, and a dinner. The event attracts bidders not only from within the Red Hills Region but, due to auction items unique to this event, the auction attracts a national audience. Each year the auction features an inspiring collection of world class artwork, unparalleled hunting and fishing opportunities, and unique offerings from the Red Hills Region and beyond. The auction will open online for bidding on Monday, August 27, 2018.
